

## NOHSL's Fundraising Programs for The 2009 Season

### "Trash to Cash"

Again this season, NOHSL will be participating in a recycling program in which we will be collecting foil juice pouches (Capri Sun, Kool-Aid, etc.). Just drop off your pouches in the designated bins at our fields and we will turn your "trash into cash".

### Cans For Catchers

Support our league by recycling your aluminum cans. Look for specially marked collecting containers at all of our playing fields (except Chestnut) including North Olmsted

Community park.

When you come to a game, just drop off your cans in the designated containers and NOHSL will recycle the cans each week.

Thanks to all who have participated to make this program successful. 2 years in a row!

For details about this program, contact Kevin Federer at [nohslfundraiser@wowway.com](mailto:nohslfundraiser@wowway.com) or visit [www.nohsl.com](http://www.nohsl.com)
