

NOHSL's Fundraising Programs for the 2010 Season

“Trash to Cash”

Again this season, NOHSL will be participating in a recycling program in which we will be collecting foil juice pouches (Capri Sun, Kool-Aid, etc.), Frito Lay chip bags and Mars/Wrigley candy wrappers. Just drop off your pouches in the designated bins at our fields and we will turn your “trash into cash”.

For details about this program, contact Kevin Federer at nohsfundraiser@wowway.com or visit www.nohsl.com

Cans For Catchers

Support our league
by recycling your aluminum cans

Look for specially marked collecting containers at all of our playing fields (except Chestnut) including North Olmsted Community park.

When you come to a game, just drop off your cans in the designated containers and NOHSL will recycle the cans each week.

Thanks to all who have participated to make this program successful. 3 years in a row!
